

Let it Shine!

Welcome to the Ninth Annual Auction to benefit the children of First Christian School.

We are proud that First Christian School is celebrating its 11th anniversary in the 2008/2009 school year. First Christian School was established with the vision of creating a non-denominational, independent Christian school to serve the Napa Valley. Since that time, the school has touched the lives of many children, from Pre-School to Middle School.

First Christian School currently offers 5 classes for pre-school age children, and grades Kindergarten through Eighth grade for school age children.

The proceeds from this event will go directly towards the educational needs of the students, supporting operational expenses and school expansion.

Your support of tonight's event is deeply appreciated.

First Christian School Mission Statement

First Christian School is committed to the highest standards of academic excellence and Christian values, where students are strengthened for lives of purpose, service, and leadership.
